A WORD OR TWO PLEASE ! !

In the name of The Ozeraner Dubner Aid Society I offer my heartfelt gratitude to the most welcome guests, patronizers and advertisers in this Program for their kind support.

I also wish to take the opportunity to express my appreciation for the whole-hearted support given by the officers and members of the Ozeraner Dubner Aid Society, to make this affair what it is — a complete success.

To the Arrangement Committee I extend my sincere appreciation for their cooperation. I am sure that the success of this affair gives every one of you a keen feeling of satisfaction and justifies your untiring work and the time you have spent in preparing for this affair.

For all the fathers and mothers of our Society and all our nations fathers and mothers whose sons and daughters are in the Armed Forces, I wish for a quick victory and that they should return sound and safe and we all live to celebrate the 25th Anniversary.
